

Jolene

Manages Peer Pressure (SC.11)

Scenarios

Teacher asks Jolene a Question:

Mr. Watkins: "Jolene, how do you think the main character was feeling when he found out he was being sent to the correctional camp?"

Jolene: "I think he was probably mad and upset that he had to go away, especially since he wasn't the one who stole the shoes."

Mr. Watkins: "Thank you for your thoughts."

Jolene asks Teacher a Question:

Jolene: *Raises hand*

Mr. Watkins: "Yes, Jolene?"

Jolene: "Do you think the book would be a lot different if the correctional camp was in a jungle instead of the desert?"

Mr. Watkins: "That's an interesting thought, I hadn't ever considered that." "Class—who wants to weigh in on this question Jolene posed?"
