

George

Initiates Tasks Independently (EOS.8) and Completes Tasks/Assignments (EOS.3)

Clean Tables for End of Day:

1. Get wipes
2. Wipe table
3. Throw wipe away
4. Stack chairs on table
5. Put wipes back

Finishing a math homework assignment (only appropriate for mastered tasks):

1. Take out writing utensil
2. Take out homework
3. Complete all problems (should only include easy problems and 3-4 problems)
4. Put homework and writing utensil away

Engaging in a leisure activity for at least 5 minutes:

1. Put away school/homework materials
2. Select a book, iPad (with educational games), or coloring materials (George's preferred activities).
3. Engage with materials appropriately (i.e., flip pages of book, color on paper, play iPad game)
4. Put book, iPad, or coloring materials away.

Preparing for class (e.g., classroom arrival routine).

1. Hang up jacket
2. Turn in homework
3. Go to desk
4. Take out class folder

Dismissal

1. Put away materials
2. Zip backpack
3. Put on jacket and backpack
4. Sit at desk and wait for bell
